It appears possible that the Respondents may wish to appear in Court in connection with the Objections and that, in such event, Spanish-English interpretation services may be necessary.

The Court understands that the Debtors intend to file a notice or notices of adjournment of the Responses to the Omnibus Hearing scheduled for **April 22, 2020**. The Debtors are directed to promptly meet and confer with the Respondents. To the extent that the Debtors intend to continue to prosecute the Objections relating to the Respondents’ claims, the Oversight Board is directed to file certified translations of any Spanish-language portions of the Responses contemporaneously with the Debtors’ replies in support of the Objections. To the extent that any Respondent intends to appear at the hearing in connection with the Objections, the Oversight Board shall provide any necessary interpretation services for such Respondent. The Oversight Board is directed to consult with the Court Services Section of the United States District Court for the District of Puerto Rico to procure suitable interpreter services.

Each Respondent is free to bring to the hearing at his or her own expense a certified Spanish-English interpreter if such Respondent does not wish to utilize the services of the interpreter provided by the Debtors.

The Debtors are directed to serve a copy of this Order on each Respondent and file a certificate of such service within five (7) days of the date hereof.

SO ORDERED.
